

Jordan Dykstra

Four Horns

for 4 air horns in 2 duets

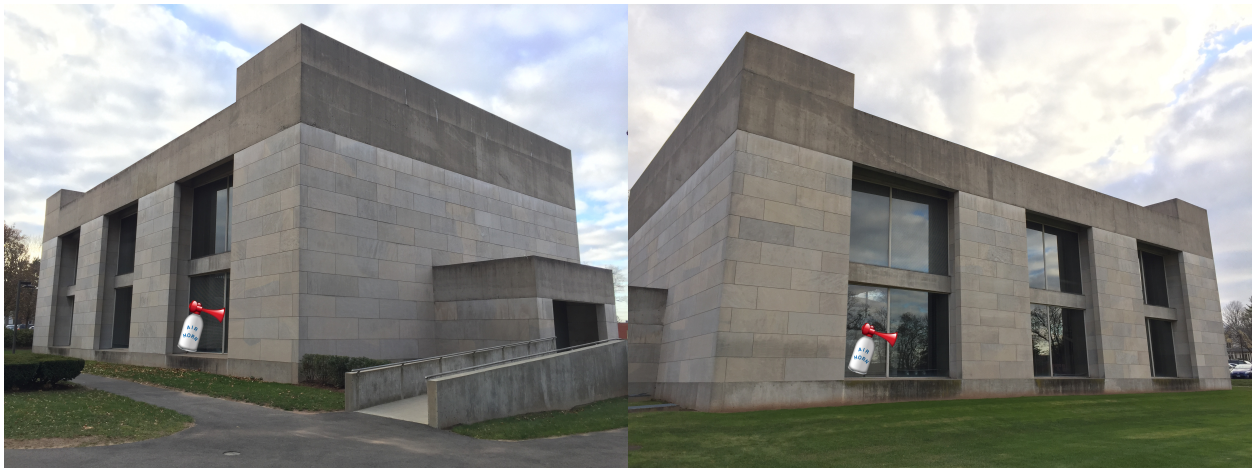

Debut performance at 3:44pm on December 8, 2016
Crowell Concert Hall at Wesleyan University in Middletown, Conn.

Simultaneously: Conspicuously placed in the interior of the building, the Inside Duet completely drains their identical air horns. Also out of sight—but from the exterior of the building, facing inward—the Outside Duet drains their identical air horns.

Example of interior placement for Inside Duet: air horns hidden in side hallway of Crowell Concert Hall at Wesleyan University.

Example of exterior placement for Outside Duet: air horns outside the hall, facing in.
